

This addendum records how the Quni platform is used for the tenancy described below. It is intended to be signed together with the prescribed general tenancy agreement (Form 18a) in the same package.

1 Tenancy summary

Item	Particulars
Property address:	45 Brunswick Street, West End, QLD, 4101
Room type:	Private room
Landlord:	Alex Rental Provider
Landlord email:	alex.provider@example.com
Landlord phone:	0400111222
Tenant:	Jordan Tenant
Tenant email:	jordan.tenant@example.com
Tenant phone:	0411222333
Tenant date of birth:	15/03/2002
Co-tenant:	Casey Co-Renter
Tenancy start date:	15/07/2025
Tenancy end date:	15/01/2026
Lease length:	6 months
Weekly rent:	\$420.00
Payment method (as stated in the agreement):	Direct deposit - Account name: Quni Living Pty Ltd; BSB: 123-456; Account number: 987654321. Tenants may also pay recurring rent via the Quni Living platform (quni.com.au).
Bond amount:	\$1,680.00
Furnished:	Yes
Linen supplied:	Yes
Weekly cleaning service:	No
Utilities / services (summary):	Electricity, gas, water, internet and waste services as agreed between the parties and as described on the property listing where applicable.

2 Quni platform & service fee

Quni Living Pty Ltd (the "Platform") operates an online marketplace and payment facilitation service. The Platform is not the landlord, property manager, or agent for the residential premises unless separately appointed in writing. The landlord remains responsible for managing the tenancy and the premises in accordance with the Residential Tenancies and Rooming Accommodation Act 2008 (Qld) and the general tenancy agreement (Form 18a).

ABN 12 345 678 901

A service fee of 10% of the gross weekly rent is deducted from amounts payable to the landlord through the Platform before payout to the landlord, as disclosed in the landlord service agreement and listing terms. The tenant's agreed weekly rent is not increased by this fee.

Rent is payable by direct bank transfer using the following account details (reference your name and the property address when transferring):

Item	Particulars
Account name:	Quni Living Pty Ltd
BSB:	123-456
Account number:	987654321
Bank:	Example Bank

The tenant has elected (where available) to pay recurring rent via card through the Quni platform. Card payments incur a payment processing surcharge passed through at Stripe's actual cost - typically 1.7% + \$0.30 per transaction (domestic cards), or 3.5% + \$0.30 per transaction (international cards). The agreed rent amount is unchanged; the surcharge is shown separately at checkout.

A fee-free bank transfer option remains available at all times for recurring rent in accordance with the Residential Tenancies and Rooming Accommodation Act 2008 (Qld) (including provisions about how rent is to be paid, for example sections 83 and 84A where applicable).

The payment method summary in the tenancy agreement (Section 1 above) remains part of the agreed rent arrangements: Direct deposit - Account name: Quni Living Pty Ltd; BSB: 123-456; Account number: 987654321. Tenants may also pay recurring rent via the Quni Living platform (quni.com.au).

3 Communication channels

The tenant should use the channels below for requests, notices and day-to-day communication. Urgent safety issues should be directed to the emergency contact immediately.

Item	Particulars
Maintenance portal (non-urgent requests):	https://quni.com.au/maintenance
Emergency contact (urgent repairs):	Sam Renter - 0411333444
Move-out notice form:	https://quni.com.au/move-out
Rent account enquiries:	rent@quni.com.au
General enquiries:	hello@quni.com.au

House communications:

Property WhatsApp group (house-related only)

4 Maintenance & repairs

Non-urgent maintenance requests (for example dripping taps, minor appliance faults, or common-area cleaning issues) must be lodged through the maintenance portal listed in Section 3. The tenant should include a clear description, photos where helpful, and safe access notes.

Urgent repairs that affect health, safety, or security - including burst pipes, electrical hazards, gas smells, serious leaks, or a failure of essential services - must be reported immediately using the emergency contact in Section 3. If the emergency contact cannot be reached and there is an immediate risk to persons or property, the tenant should also follow any emergency services guidance (including 000 where appropriate).

The landlord (or their authorised tradesperson) will use reasonable endeavours to respond to urgent items without undue delay. Response times for non-urgent items depend on severity, parts availability, and access; the parties agree to communicate promptly through the portal where additional information is required.

The tenant is responsible for damage caused by the tenant, their guests, or invitees (including through misuse, negligence, or failure to report issues promptly). Fair wear and tear is excluded. Where damage is tenant caused, the landlord may seek reimbursement in accordance with the Residential Tenancies and Rooming Accommodation Act 2008 (Qld) and the general tenancy agreement (Form 18a), including via bond claim processes where applicable.

5 Utilities & bills

Rent is calculated on an all-inclusive basis covering electricity, gas, water, internet and waste services as agreed between the parties and as described on the property listing where applicable..

A utilities allowance of \$150.00 per quarter applies. Usage within this allowance is included in rent.

Usage in excess of the quarterly allowance must be paid by the tenant within 14 days of invoice (or as otherwise agreed in writing). This is the tenant's payment timing for excess-usage amounts invoiced through the platform - it is separate from the landlord's obligation under the Residential Tenancies and Rooming Accommodation Act 2008 (Qld) (including provisions about utility charges) to give the tenant copies of relevant supplier account documents within **4 weeks** of the property manager/owner receiving them, where the tenant is required to pay for a utility service by reference to the supplier's account.

The tenant must not deliberately waste utilities or circumvent metering. Where excessive usage is clearly tenant-caused, the landlord may request reimbursement in addition to any excess-usage amount, acting reasonably and with supporting information where practicable.

Where internet is included, connection or resumption of service may depend on supplier processes. The tenant must not reconfigure network equipment in a way that could impair other occupants or security devices. Personal streaming, gaming, or study use within ordinary household norms is expected; commercial server hosting or resale of bandwidth is not permitted unless agreed in writing.

6 House rules

Quiet hours 10pm-7am. No smoking indoors.

7 Mould prevention

The tenant must keep the premises reasonably ventilated, including by using exhaust fans or opening windows when cooking, showering, or drying laundry indoors, where safe and consistent with security.

Condensation on windows or walls should be wiped dry promptly. The tenant must not block fixed ventilation grilles, subfloor vents, or weep holes, and must not store belongings or materials in a way that traps moisture against walls, floors, or joinery.

Any visible mould, persistent damp smell, water ingress, or bubbling paint or plaster must be reported through the maintenance portal without delay. Early reporting helps limit damage and repair cost.

The tenant is responsible for day-to-day cleaning of surfaces they use (including bathrooms and kitchen areas) in line with ordinary household standards. Where mould arises from lack of ventilation or cleaning that a reasonable tenant would undertake, the tenant may be responsible for remediation costs acting reasonably and in accordance with the Residential Tenancies and Rooming Accommodation Act 2008 (Qld).

8 Condition report

For general tenancies in Queensland, the Residential Tenancies Authority publishes approved forms including the Entry condition report (Form 1a) at the start of the tenancy and the Exit condition report (Form 14a) when the tenancy ends. Under the Residential Tenancies and Rooming Accommodation Act 2008 (Qld), **section 65** deals with the condition report at the start of a tenancy and **section 66** deals with the condition report at the end of a tenancy (including timeframes for completing and returning copies).

The landlord (or agent) should prepare and give the tenant an entry condition report as required by law; the tenant should complete any tenant-response steps within the statutory timeframe (typically within 7 days of occupying or receiving the report, whichever is later). The landlord must return a signed copy to the tenant within the period required after receiving the tenant's completed report. The parties may attach photographs or short videos where appropriate, consistent with RTA guidance.

At the end of the tenancy, the exit process should follow **section 66** and the approved exit report form (Form 14a), comparing the state of the premises with the entry report (fair wear and tear excepted). The tenant should attend any scheduled inspection where practicable and should lodge final meter readings or other handover items through the move-out workflow when requested.

9 Move-out procedures

To end the tenancy, the tenant must give notice in accordance with the Residential Tenancies and Rooming Accommodation Act 2008 (Qld), the general tenancy agreement (Form 18a), and any agreed notice period. Where the platform collects a move-out notice, the tenant should complete the move-out notice form at <https://quni.com.au/move-out> and keep a copy of any confirmation received.

Unless otherwise agreed in writing, the tenant must vacate and return possession by **10:00am** on the agreed vacate date. If the tenant remains after 10:00am, a **\$50** late checkout flat fee applies. If the tenant is still occupying the room after midnight on the vacate date, the tenant agrees that **full day rent** applies for that day, calculated as one day's rent (one-seventh of the agreed weekly rent), currently \$60.00 per day, in addition to any other amounts lawfully payable.

Cleaning checklist - the tenant must leave the room in the following condition:

- Vacuum and mop all floors including under bed and furniture
- Wipe walls, skirting boards, windowsills, and windows
- Clean all cupboards, drawers, and storage used by the tenant
- Clean bathroom and toilet thoroughly
- Remove all personal items from the room, bathroom, kitchen, and communal areas
- Wash and return all provided linen clean
- Ensure all light fittings have working globes
- Remove food from the fridge and clean the tenant's allocated fridge space
- Return all keys as directed

The dollar amounts in the schedule below are commercial terms presented through the platform. They may only be enforced to the extent permitted by law; nothing in this schedule is intended to displace mandatory provisions of the Residential Tenancies and Rooming Accommodation Act 2008 (Qld).

Fee schedule (indicative - charged only where applicable and lawfully recoverable):

Item	Particulars
Cleaning (if not to standard)	\$150 per hour, minimum charge \$150
Removal of personal items / rubbish left behind	\$250 per hour, minimum charge \$250
Late checkout (after 10:00am on vacate date)	\$50 flat fee
Late checkout (still occupying after mid-night on vacate date)	Full day rent (\$60.00 - one-seventh of the agreed weekly rent)
Linen replacement if significantly damaged	Replacement cost (charged at actual cost)
International bank transfer administration (bond refund)	\$50 flat fee

The tenant should supply a forwarding address and contact details for bond and correspondence. Bond release (if applicable) will follow Residential Tenancies Authority (RTA Queensland) requirements and any instructions given through the signing or bond workflow. The parties agree to cooperate promptly with reasonable requests for information needed to finalise the tenancy.

10 Bond

Any bond paid or held for this tenancy is dealt with in accordance with the Residential Tenancies and Rooming Accommodation Act 2008 (Qld), the general tenancy agreement (Form 18a), and Residential Tenancies Authority (RTA Queensland) requirements (including bond lodgement and claim processes under Queensland law).

The bond amount recorded in the tenancy agreement is \$1,680.00. The parties agree to complete any bond lodgement, variation, or claim steps notified through the platform or the landlord's agent, and to provide accurate bank details for refunds where required.

Where an international bank transfer administration fee applies to a bond refund (as set out in the move-out fee schedule), that fee is separate from the bond amount and is payable only where applicable and lawfully recoverable.

11 Inspections & access

The landlord (or their authorised agent) may enter the premises to carry out inspections, repairs, maintenance, or compliance activities in accordance with the Residential Tenancies and Rooming Accommodation Act 2008 (Qld) and the general tenancy agreement (Form 18a), using an Entry notice (Form 9) where required and observing notice, frequency, and timing rules under Queensland law.

Purpose	Minimum notice required
Emergency repairs	No notice required
Non-urgent repairs	24 hours (Form 9 entry notice)
Routine inspection	7 days (Form 9) - not more than once every 3 months unless agreed in writing
Show premises to prospective purchaser/tenant	24 hours (Form 9) - subject to RTRA Act limits on frequency and 'reasonable time' rules
Property valuation	7 days (Form 9) (or as the RTRA Act requires for the entry purpose)

Unless an emergency applies, entry should be arranged with reasonable written notice (or as otherwise required by law) and at a reasonable time. The tenant should not unreasonably withhold access where entry is lawful. Where the tenant cannot attend, they may propose an alternative reasonable time within the constraints of tradespeople or scheduled works.

Photographs or short videos taken during lawful inspections or maintenance visits must not capture unrelated private areas of the tenant's room beyond what is reasonably necessary for the stated purpose. Marketing or listing photography should not be taken in the tenant's private room without prior agreement consistent with the RTRA Act and any house rules.

The tenant must not change locks or security devices without consent except where permitted by law. Any keys, fobs, or access devices issued must be returned at the end of the tenancy as directed.

12 Termination

This addendum does not override the Residential Tenancies and Rooming Accommodation Act 2008 (Qld) or the prescribed general tenancy agreement (Form 18a).

Tenant pathways (summary): end a periodic tenancy by giving notice in the form and for the period required by the RTRA Act and agreement; end a fixed-term tenancy at expiry by vacating in accordance with notice rules; leave early where permitted (for example mutual consent or an order of the Queensland Civil and Administrative Tribunal (QCAT), or where other lawful pathways apply).

Landlord pathways (summary): end a tenancy only on grounds and by procedures permitted by the RTRA Act (including prescribed termination notices, breach processes where applicable, and tribunal orders). Mutual agreement to end can be recorded in writing at any time where the parties choose that path.

Leaving a fixed-term agreement early (reletting costs) - If a tenant ends a fixed-term general tenancy agreement early without lawful grounds, liability for costs must be worked out under Queensland law. **Section 357A** of the Residential Tenancies and Rooming Accommodation Act 2008 (Qld) sets limits on how reletting costs may be agreed and calculated. **Section 362** requires the lessor to take all reasonable steps to mitigate loss or expense. The amounts and rules that apply depend on the circumstances of the tenancy (including the agreement start date and legislative reforms). This addendum does not set out a prescribed stepped-cap table; parties must refer to the current Act and official guidance.

Up-to-date calculation guidance is published by the Residential Tenancies Authority (Queensland) at <https://www.rta.qld.gov.au/ending-a-tenancy/ending-a-tenancy-agreement/reletting-costs> (reletting costs and mitigation).

If anything in this addendum is inconsistent with the Residential Tenancies and Rooming Accommodation Act 2008 (Qld) or the prescribed general tenancy agreement (Form 18a), the **Act and prescribed agreement prevail**.

13 Disputes

The parties should attempt to resolve disagreements about this tenancy or the use of the Quni platform directly, promptly, and in good faith before escalating matters.

Quni Living may assist with facilitation or information exchange where appropriate and where all parties agree. For facilitation enquiries, contact info@quni.com.au. Quni Living does not provide legal advice and is not a substitute for independent legal advice where needed.

Either party may apply to the Queensland Civil and Administrative Tribunal (QCAT) for orders in accordance with the Residential Tenancies and Rooming Accommodation Act 2008 (Qld) and tribunal rules. Quni Living is **not a party** to QCAT proceedings between the landlord and tenant and **cannot represent** either party before QCAT.

14 Privacy

Quni Living handles personal information in accordance with the **Privacy Act 1988 (Cth)** and applicable Australian privacy principles, including information collected to facilitate this tenancy and to operate the Quni platform (for example identity, contact, tenancy, and payment-related details where relevant).

You may request access to, or correction of, personal information Quni Living holds about you by writing to info@quni.com.au. Further detail is set out in the privacy policy at <https://quni.com.au/privacy>.

15 Electronic execution

The parties agree that this addendum may be signed electronically where permitted by the **Electronic Transactions (Queensland) Act 2001** and other applicable laws. Electronic signatures have the same effect as handwritten signatures when applied through an agreed signing workflow.

Each party consents to electronic signing, including the use of signature and date fields completed through the DocuSeal workflow at <https://sign.quni.com.au>.

16

Special conditions

No special conditions apply unless recorded below or in an attachment signed by both parties.

Space for typed or handwritten special conditions (if any).

17

Execution

Signed electronically where permitted. Each party's signature and date fields below are completed through the signing workflow.

Landlord	Tenant
Alex Rental Provider Signature Date	Jordan Tenant Signature Date
Casey Co-Renter Signature	

Date

Signatures and dates are collected using DocuSeal (<https://sign.quni.com.au>). DocuSeal is a third-party e-signing service; Quni Living does not control DocuSeal's infrastructure beyond selecting it as the signing provider for this package.

SAMPLE - not for execution
